

# Rideshare More. Worry Less.

## Safeco RideSharing Coverage™

As a rideshare driver, you may have gaps in your auto insurance coverage while driving for a Transportation Network Company (TNC). Safeco's personal auto policy, as does nearly every personal auto policy, excludes vehicles being used as a ridesharing vehicle from ordinary personal auto insurance coverage. With Safeco RideSharing Coverage,™\* you can extend your Safeco auto policy to cover these gaps.

## Why do you need Safeco RideSharing Coverage™?

It's simple: you have to be protected while doing your job. If something happens on the road and you have a gap in your coverage, it can be devastating. We don't want that to happen. That's why we created this specialized coverage to extend your Safeco auto policy to cover those gaps while you're working.

## What creates the rideshare gap?
