

GIVE DRIVERS A PLACE TO CALL HOME

While insurance has few touchpoints beyond renewals and claims, Hagerty Drivers Club™ engages and delights clients constantly throughout the year, making it a powerful retention tool for you. Here's how:

ROADSIDE SERVICE CREATED SPECIFICALLY FOR COLLECTOR VEHICLES

For collector cars, flatbed towing is a must. Our members get 15 miles of guaranteed flatbed towing as many times as they need it, along with \$50 for other roadside services like battery jumps and lockouts. Higher levels are also available.

EXCLUSIVE SAVINGS ON CAR STUFF

The amount clients can save on automotive gear, services and experiences will more than pay the cost of membership, with discounts like 10% off Coker Tire, 10% off California Car Cover, \$50 on a DriveShare rental, and more.

AN AWARD-WINNING MAGAZINE ENTHUSIASTS LOVE

Members get an insider's view of car culture with 6 issues per year of *Hagerty* magazine, plus a weekly eNewsletter, online articles and videos, and premium Valuation Tools® access.

EVENTS AND EXPERIENCES THEY'LL NEVER FORGET

Clients will have access to members-only events and experiences throughout the year, including scenic tours, ride & drives, seminars and more.
